LYON'S MAGNETIC POWDER,

For the Destruction of Insects, without Poison,

Has been for many years a standard article throughout the United States, as well known and as regularly in demand by housekeepers as any merchandise of the first necessity, used for domestic purposes. It has been submitted during this time for analysis and experiment to the **First Scientific men in Europe and America**; to the Medical College of New York; to distinguished chemists in France, England and Germany; at the World's Fair in London, held in 1851; at the International Exhibition in the Crystal Palace, New York, opened in 1853, at the Great Belgian Exposition, held in 1847. During this time the inventor and proprietor, Emanuel Lyon, has been honored with

FOUR NATIONAL MEDALS.

And the Powder has received the Autograph Endorsement of the President of the United States, Prince Albert, and thousands of leading citizens in every department of business, throughout the Union. The Powder has been declared by eminent chemists of all countries

FREE FROM POISON,

and entirely innocuous; while thousands of letters testify that it immediately and infallibly destroys, **Bedbugs, Cockroaches, Moths, Fleas, Ants, Flies, Musquitos, Plant Insects, Vermin on Fowls and Animals**, and every other species of insects with which its particles come in contact. In consequence of the article being extensively counterfeited it is necessary to

CAUTION THE PUBLIC

not to purchase any packages purporting to contain LYON'S MAGNETIC POWDER, which are not verified by a fac simile of his signature upon the label. A new lithographic label, similar to the heading of this advertisement, is now in preparation, and will be ready in the month of August.

LYON'S MAGNETIC PILLS, for the destruction of Rats and Mice, will exterminate these vermin, however numerous they may be, within twenty-four hours, in any private dwelling, store, warehouse, outhouse, barn, etc., where they are placed.

Principal wholesale and retail depot for Lyon's Magnetic Powder and Pills, 424 Broadway. Sold by Mrs. Hayes, 175 Fulton street, Brooklyn, and all respectable druggists in the United States. Retail price, 25 cents per flask or box, with a proportionate reduction to wholesale buyers.

EMANUEL LYON.

INTRODUCTION.

THE Publisher presents his first work to his patrons, confident that it is superior to any other publication of the kind ever issued in this city.

It contains Twenty-eight Thousand Five Hundred names,—exceeding by five thousand, the number contained in any other Directory of the City.

The compiler labored assiduously to render the work as complete and accurate as possible, it being his aim to make it such an one as the public required. He believes his efforts have been successful, and that his compilation will be welcomed as the improved DIRECTORY. He asks indulgence in regard to errors; they either could not be detected, or escaped his notice till after in print. All errors discovered will be corrected, and great pains taken to render his next publication as far superior to the present as possible,—and he trusts the public will aid him in his endeavors by kindly pointing out any errors or omissions, it being his determination not to stop short of making a DIRECTORY that will be altogether satisfactory to the public,—his motto being "Excelsior."

NEW ENGLAND MUTUAL

Life Insurance Company.

BOSTON, MASSACHUSETTS.

CHARTERED, APRIL 1835.

Branch Offices, in Metropolitan and Ocean Bank Buildings, 110 Broadway and 218 Fulton street,

NEW YORK CITY.

Capital and accumulation of premiums to meet losses.

\$580,000.

After just making and paying a dividend for the last five years, (in cash, not in scrip) of 30 per cent., amounting to

\$141,000.

The entire surplus profits is divided among all the members every five years, thus avoiding the unnecessary, dangerous and corrupting tendency of large accumulations of unpaid dividends, mistakingly called capital, and also affording a certain and good rate of interest upon the outlay of premiums.

This is the oldest American Mutual Life Insurance Company, and one of the most successful.

Insurance may be effected for the benefit of a married woman beyond the reach of her husband's creditors. Creditors may insure the lives of debtors.

A blank form for application for insurance, or a copy of the Company's pamphlet, containing the charter, rules and regulations, also the annual reports showing the condition of the Company, will be furnished gratis.

HORSES! HORSES!! HORSES!!!

A STRONG LINIMENT,

Especially adapted to the horse, to heal and strengthen while working him daily. This the public will find in

DR. KILLINGER'S

NEW CHARM,

THE MOST CERTAIN REMEDY

Ever offered to the public. It cures the heaves immediately, and all manner of Cuts, Sores, Bruises, &c., &c., and the horse may work daily.

*In Large Bottles at \$1 each,
NINE DOLLARS A DOZEN.*

This great remedy is what horse-owners have long wanted. Ask for the Medical Charm. One Dollar each—no smaller sizes.

N. B. Mr. I. Lane, corner of Murray and West streets, cured a horse of the glanders. Mr. Wm. Radford, Wholesale Grocer, No. 292 West street, purchased a splendid horse that was so badly injured it was thought he would die; but in a few days he was cured with one bottle, and is now worth \$300. It is as certain to cure as it is used. There has never been any thing like it in the history of medicine. Thousands of other undeniable evidences can be seen at the

PRINCIPAL DEPOT, 476 BROADWAY.

Don't fail to give it a trial; nothing more is necessary. It is ten times as cheap as any other remedy offered to the public; as it cannot fail.

DR. KILLINGER.—My dear Sir: When I saw the above, I could not believe until calling on the parties. Then I could not doubt; but still the evidence was not so satisfactory as the strong test by trial. I now, with great pleasure, add my testimony. I have cured two very bad cases of heaves and deeply seated cough—one cured in four days; the other took ten.

Respectfully yours, JAMES S. MAPES, *Yonkers.*

*The above articles, together with all the popular Patent Medicines,
to be had wholesale and retail of*

WILLIAM S. DUNHAM,

476 Broadway, (white front) between Grand and Broome streets.

DR. D. C. KELLINGER'S MAGIC FLUID

IS THE GREATEST REMEDY OF THE AGE FOR

Restoring the Hair.

It has done more than all the pretended Remedies in the World.

It has cured and is capable of curing more diseases than any other medicine offered for sale, we care not by whom made or sold, or by what name. As a strong and convincing proof of the above, we say that this is the only article that has appeared in the form of a Patent Medicine that has been patronized and received the praise of the *elite* generally, as the most agreeable Family Medicine ever offered for sale, or used by any of them, viz:—Hon. Moses H. Grinnell, Hon. Robert H. Morris, Hon. Richard F. Carman, Hon. John A. Dix, U. S. Senate, Hon. Anson Willis, Mr. William T. Porter, Editor, and Mr. John Richards, Publisher of the *Spirit of the Times*, Col. Gouverneur Morris, Mr. L. G. Morris, Mr. Wm. L. Morris, Hon. J. R. Whiting, Messrs J. and Daniel Coster, Mr. L. Depoe, of Depoe Island, Hon. W. W. Woodworth, Mr. Edward F. Shonard, Mr. James Bathgate, Dr. J. M. Bradhurst, Hon. Aaron Vark, Hon. R. P. Getty, Mr. John J. Herrick, whose recommendations it would take a volume to contain, and to whom we are proud of the honor of the privilege of referring.

None are Genuine without bearing a Fac-similie of the Proprietor's Signature.

DR. KELLINGER'S INFALLIBLE REMEDY

Is put up in beautiful Toilet Bottles for family use, at \$1 each—\$9 per dozen—\$96 per gross.

Dr. Kellinger's Remedy or Liniment, for Curing all Manner of Ailments of the HORSE.

Sores, Cuts, Ricks, Bruises, Hard Swellings, Thrush, Scratchers, Heaves, Wind, Cholick, etc., etc. Sold at 4s. each—\$4 a dozen, cash—\$42 per gross—10 gross at \$36 per gross, cash invariably. N. B. The animal can be worked daily.

D. Kellinger's Great Discovery for Checking and Relieving Sea Sickness.

Sold at \$1 each, on board of almost every steamer or sail-craft upon the waters, \$9 per doz.—\$96 per gross, cash.

DR. KELLINGER'S RENOVATING CORDIAL.

GUIDE

TO THE STREETS, AVENUES, LANES, COURTS, PLACES, &c.,

MENTIONED IN

SMITH'S BROOKLYN CITY DIRECTORY,

FOR 1854-5.

THE numbering of the streets, &c., of the city is very incomplete and irregular, the same number, in several instances, occurring in two or more places in the same street or avenue. As a rule, the numbers run eastward and southward from the opening of the street or avenue. The streets, avenues, &c. that are given in the Guide are arranged in alphabetical order, and any particular one can be found by observing that order when looking. The number of the building on one corner of each crossing, or abutting street, or avenue, is given when there is any; when there is none on the corner the one nearest it is given, and marked with a * before it, to denote that you do not look on the corner for that number. When this (is placed on the left, or this) on the right of any street or avenue, it denotes that it begins or ends (on right or left) at the street or avenue under the head of which it is named.

PHRENOLOGY.

"Know Thyself."

No. 308
BROADWAY,
NEW YORK.

PROFESSIONAL
EXAMINATIONS.
DAY AND EVENING.

Fowlers & Wells,
NEW YORK.

THE UTILITY OF PHRENOLOGY.

PHRENOLOGY teaches us our natural capacities, our right and wrong tendencies, the most appropriate avocations, and directs us how to attain self-improvement, happiness, and success in life.

By teaching parents, specifically, the dispositions and characteristics of their children, PHRENOLOGY shows how to instruct, develop, and govern them, and for what profession, business, or pursuit in life to prepare them.

PHRENOLOGY enables us to read the characters and motives of our "fellow men" at a glance, to judge reliably whom to trust, and with whom to form intimate business or social relations, and becomes at once the most delightful, useful, and interesting study which can possibly engage our attention.

A correct analysis of the PHRENOLOGICAL ORGANS shows each individual wherein he is deficient, and when in excessively developed, and how to cultivate or restrain those faculties necessary, to obtain a harmonious, uniform, and consistent Intellectual, Moral, and Social Disposition.

WRITTEN DESCRIPTIONS of character are becoming every day more and more in demand, to such an extent, indeed, that we are obliged to employ Phonographic Reporters for this purpose. This method enables us to impart, in a permanent form, to each person, advice relative to health, habits, balance of Temperament, the culture of weak faculties, and the training of strong ones, etc., much better than can be done in any other way. These MENTAL portraits, as guides to self culture, are invaluable.

THE PHRENOLOGICAL CABINET contains Busts, and Casts from the heads of the most distinguished men that ever lived; also Skulls, human and animal, from all quarters of the globe—including Egyptian Mummies, Pirates, Robbers, Murderers and Thieves; also numerous Paintings and drawings of celebrated Individuals, living and dead. Strangers and citizens will find this Cabinet or Museum, 308 Broadway, N. Y., an agreeable place to visit.

PHRENOLOGICAL EXAMINATIONS AND ADVICE, with Charts and full Written Descriptions of Character, given, when desired, at our rooms, No. 308 Broadway, New York.

FOWLERS AND WELLS have all works on Phrenology, Physiology, Phonography, Hydropathy, and the Natural Sciences generally.

And dealer in New and Second Hand Clothes.

Also suits furnished for parties, balls, or funerals, at
from \$3.00 to \$10.00 a suit, according to the quality.

The advantage of our entire arrangement is, beyond all question
of doubt, one of the most economical and beneficial to families or
single gentlemen of any other one in the country. We buy, and pay
cash, for all kinds of cast-off clothing, or exchange, or renovate,
and thereby make old ones look as well as new. We furnish out-
fits to gents or ladies for balls, parties, or funerals. This arrange-
ment supercedes the necessity of keeping on hand a large stock of
clothes, when, with what would be required to purchase a single
article, the individual may appear at any time as well dressed as if
he had spent fifty dollars. Our business is general and extensive,
and those who wish clothing for dressing or laboring purposes
would do well to call at 36 Atlantic street,

at J. N. STILL'S.

CONNER & CLARKE.

JAMES PIGOT, PRACTICAL UPHOLSTERER,

No. 5 NASSAU STREET,

BROOKLYN,

Respectfully calls the attention of the public to examine his newly invented

SPRING UNDER-BED,

which for lightness and elasticity surpasses anything of the kind ever invented. It is not like the old style of spring mattresses, made in one piece, weighing nearly 200 pounds. It is made in two pieces, laced together in the centre with metallic eyelets, folding like a hinge, and weighing only 35 to 48 pounds, which any young lady can easily handle. It has neither wood, whalebone, or rattan in its construction. The frames are made by a machine, of his own invention, of the purest rye straws, each straw placed transversely (almost like weaving).

Their superior qualities, and remarkably low price, accounts for the rapid sale they have met with since being invented. For sale only at his own manufactory, and M. Brooks', corner of Sands and Fulton streets, in Brooklyn, and all respectable cabinet houses in New York.
